

What took you so long Vince?

Published: January 13, 2026, 7:10 am

In a [3,800 word essay for the New Statesman](#) Vince Cable has concluded that the government has to invest in the economy to get us out of recession and to counter a shortfall in demand.

What took you so long Vince?

The Green New Deal group [reached that conclusion in June 2008](#) - before Lehman Brothers collapsed. If Vince had caught on sooner we'd all be better off now.
