

What's really important about today's tax haven stories...

Published: January 13, 2026, 1:16 am

I think on this occasion the headline to this story says it all.

Tax havens trade on secrecy.

If that secrecy is shattered tax havens have lost their currency. And those who use them will be very, very scared.

And that's exactly why the [tax haven stories today](#) are really important.
