

Funding the Future

From January 2003 to May 2013 - progress with country-b...

Published: January 13, 2026, 6:19 am

In [January 2003 I published a report](#) with this cover, which [was made available here](#):

I thought that this proposal would be read by Prof Prem Sikka and John Christensen and that would be it.

Now, just over ten years later something remarkably like it, campaigned for by very many NGOs and people I have never met, [looks set to become EU law](#).

I'm grateful to all who campaigned for this.

I'd strongly suggest that those looking to turn the law into regulation look at the proposal I made in 2003, [and more recently](#). There will be questions to answer: I've dealt with most already.
