Best [quote of yesterday was Margaret Hodge](#):

'I think that you do evil'

But run close by [Anna Walker of UK Uncut](#):

"The government talks tough on tax, but does not do much"

Whilst [Lin Homer of HMRC picks up worst of the day](#), for the sheer arrogance and inability to comprehend what's needed that it reveals:

"We see — but understand more fully — some of the information that might seem to the general public to be surprising."
