

10,000 blogs and counting

Published: January 13, 2026, 4:04 pm

I have just realised I published blog number 10.000 this morning.

This blog started in June 2006. That means I've published about 3.8 blogs every day, Christmas Day included (sometimes), since then.

Has it been worth it? Look at the G8 and G20 and the answer is yes.
