

From Vodafone to HMRC is just one small step

Published: January 13, 2026, 4:27 am

As [Computing has reported](#):

Mark Dearnley, CIO at Vodafone, is to become HM Revenue & Customs' (HMRC) new chief digital and information officer.

So Vodafone, who once recruited the head of the HMRC large business service to work for it, is now seeing its managers join HMRC.

It's all just too cosy for comfort.
