

David Cameron - the tax havens' friend

Published: January 17, 2026, 12:58 pm

I get regular update emails on many subjects. One of them is tax havens. These were the first four items in an email last night on that subject:

[I've already written of the recklessness of Cameron's comments on the UK's tax havens.](#)

The evidence that they are going to exploit his stupidity (there is no other word for it) is coming in thick and fast.
