The September 2013 Taxcast is available here for listeners.

This month's edition includes:

- \* The Netherlands is getting worried about its bad reputation (and not because of its red light districts);
- \* China steps aboard the G20 Automatic Information Exchange train;
- \* The Taxcast breaks down some dance moves for the Swiss Shuffle;
- \* And what do Tina Turner and Muammar Gaddafi have in common?

Produced by @Naomi\_Fowler for the Tax Justice Network.
