

Funding the Future

Of course you can out money offshore, at your own peril

Published: January 14, 2026, 3:52 pm

For the offshore geeks who visit this site, [an interesting new law report from Jersey](#).

I do not have time to summarise it this morning and the article is anyway well written. The real point is you out money offshore at your peril.

The courts corrected matters here, so credit is due. But it's the system that failed.
