

Funding the Future

This is some Pope

Published: January 16, 2026, 8:59 am

Just [one of many possible quotes from the Pope today](#):

As long as the problems of the poor are not radically resolved by rejecting the absolute autonomy of markets and financial speculation and by attacking the structural causes of inequality, no solution will be found for the world's problems or, for that matter, to any problems.

Now there's a man with the intention to change things.

Good.
