The endorsements for the [Fair Tax Mark](#) continue to flow in. This one is by [the editor of International Tax Review](#) (who said I may reproduce it):

It looks like we need to get a move on with the multinational corporation version.

If anyone wants to suggest methodology they're welcome to do so but remember the focus is on:

- * tax policy
- * transparency about what the business does
- * tax accounting
- * disclosing tax avoidance

And for [reasons already noted](#), the focus has to be on corporation tax.
