

## Democracy 1 - Big 4 Firms 0

Published: January 14, 2026, 9:27 am

---

The Big 4 firms of accountants advertised in Hong Kong last week, saying that pro-democracy demonstrations should not take place.

Their staff place can advert in response saying these firms did not represent their views.

Yesterday up to 500,000 people protested. 511 were arrested.

The democracy movement won.

The Big 4 emphatically lost.
