

Something everyone of us has to confront

Published: January 14, 2026, 5:58 am

This is off topic, but if you have not seen this, please watch it. There are, no doubt, errors and misjudgements being made by both Hamas and Israel over Gaza, but nothing can justify the bombardment that is killing Palestinian children. Jon Snow's passion on this issue is powerful, persuasive and, in my opinion, entirely appropriate:
