

## Unions and income inequality in two graphs

Published: January 12, 2026, 11:43 pm

---

These two graphs come [from the report](#) by Prof Richard Wilkinson and Prof Kate Pickett for the Class think tank entitled '[The importance of the labour movement in reducing inequality](#)'. I think they speak for themselves:

*Disclosure: I am on the advisory board of Class and work for the TUC, PCS and Unite.*
