

Investment, what investment?

Published: January 13, 2026, 12:53 am

This is another chart from this morning's [Bank of England Inflation Report](#):

The Bank seems to want to see upward growth here. And it is true, there has been. But then look at the trend at the right hand end. It is downward.

I strongly suspect that is the direction of travel. It is marked. It is downward. It is bad news.
