---

In the latest Tax Justice Network podcast, August 2014: When was the last time you used a \$100 bill, a 500 euro note or a 1,000 Swiss Franc note? We look at how Western banks and Treasuries are facilitating crime through high denomination bills.

Also, tax haven reputation damage-management, Switzerland pulls a fast one on India, the European bankers raking in the bonuskis from sanctions against Russia and how the tax haven of Mauritius is...erm...expanding its portfolio.

Featuring: John Christensen of the Tax Justice Network, author of Laundry Men and many other books on financial crime Jeffrey Robinson, Assistant US Attorney General Lanny Breuer, economist and asset recovery specialist Jim Henry.

Presented and produced by [@Naomi\\_Fowler](#) for the [Tax Justice Network](#).
