

## Thanks heavens: no hypothecation

Published: January 14, 2026, 10:59 am

---

Sometimes it is hard to remember to say thank you.

When there are other issues on your mind it's even hard to note small victories.

But I should note that, thankfully, Labour backed away from hypothecated taxes for the NHS yesterday. They would have been a disaster [for all the reasons I noted here](#).

That's, I hope, one problem off the agenda.
