

## Discussing the Big 4 in Denmark - the video

Published: January 13, 2026, 11:21 am

---

My talk in the Danish parliament last week is [now available on Youtube here](#).

For some reason I am having trouble embedding this so please follow the links to see what I had to say about the Big 4 accountants and their role in creating the opacity that denies governments the opportunity to collect tax around the world.
