

The December Taxcast from the Tax Justice Network

Published: January 14, 2026, 12:21 am

The December Taxcast from the [Tax Justice Network](#) is out. In this edition: how mafia is corrupting democracy at the heart of Europe in Italy's capital city of Rome.

Also: the #LuxLeaks whistleblower is arrested and makes his first public statements on why he did it; the UK Chancellor's new 'Google Tax'; is the EU Commission President Jean Claude Juncker backing away from making a register of real owners of companies and trusts public? And more scandal and unique analysis.
