

The Fair Tax Mark in The Times

Published: January 13, 2026, 11:15 am

The [Fair Tax Mark](#) is featured in [The Times](#) this morning but I don't pay to read it so I can only feature the headline:

The corporate tax system is open to abuse but measures are afoot to plug loopholes

What I can confirm is they come out firmly in favour of the transparency we propose.

Mr. Murdoch, please take note.
