

On libertarianism

Published: January 13, 2026, 11:49 am

Carol Wilcox of the [Labour Land Campaign](#) wrote a [comment on the blog](#) on Saturday that I thought worth sharing more widely:

I know lots of libertarians through my association with the land value taxation campaign. I have observed that none of them are mothers.

That's unsurprising. I am not sure how anyone could mix the roles of parenthood and being a right-wing libertarian.

I note Ayn Rand did not.
