

## I am on Twitter

Published: January 13, 2026, 3:42 am

---

I am aware I have not blogged yet this morning.

That's because I arrived in Perthshire at midnight last night and have been in a conference since early morning.

But I have been active on Twitter.

It's a timely moment to suggest you [can also follow me there](#).

And to celebrate the fact that I got my 25,000th follower last night.
