

## Ranting on non-doms

Published: January 12, 2026, 10:12 pm

---

A clip from yesterday's Public Accounts Committee hearing with Edward Troup (HMRC) about the 114,000 non-domiciled people living in the UK.

This is a great, and wholly appropriate, 'rant' by Richard Bacon MP (Con. Sth Norfolk).

With thanks [to Martin Chew](#).
