

Today's schedule

Published: January 13, 2026, 2:52 pm

It's budget day, and that means I am busy.

I'm filming at 11 for a documentary.

Then I am on Radio 2 to comment on the budget - at about 1.30, I expect.

Then it is to ITN and Channel 4.

And after that I'll be blogging here and at Left Foot Forward, at least.

And at 6.30 I am speaking in the Wilson Room at Portcullis House, Westminster at a meeting on radical alternatives to austerity organised by Michael Meacher MP at which you are welcome.
