

## Do we need an emergency budget?

Published: January 13, 2026, 6:14 pm

---

Apparently George Osborne is planning a budget 'soon'.

What for? To deal with the massive debt, poor growth, out of control deflation and massive trade deficit he's inherited from his predecessor in the last parliament?

Or to pursue the policy of turning the UK into a tax haven?

It has to be one of the two given he's already had a go this year.
