

# Funding the Future

## Nine today

Published: January 15, 2026, 3:18 pm

---

Having [just posted the last blog](#) I realised that this blog is celebrating [its ninth anniversary today.](#)

Nine years, 11,967 posts at a rate of over 3.6 every day for the entire period, and maybe 3.5 million words. Plus 8,280,000 reads.

And no end in sight as yet.

Thanks.
