

Funding the Future

Caroline Lucas on a positive, green and socially just f...

Published: January 13, 2026, 9:47 am

Caroline Lucas MP [had an important article in the New Statesman yesterday](#) with the title:

Caroline Lucas: We need to invest in a positive, green and socially just future

and sub-heading:

The Green MP lays out her proposal for green infrastructure quantitative easing.

And yes, I do know Caroline and did talk to her about this. And I am not a member of the Green Party, and nor is this Green Party policy as far as I know.

[Please give it a read.](#)
