

## Bill Mitchell, monetary liquidity operations, PQE and f...

Published: January 13, 2026, 2:10 pm

---

Bill Mitchell [spoke at an event](#) at which I was also on the panel last Thursday.

Bill [has now commented on some of the ideas that were put to him that night](#) and afterwards, with which he disagrees, as did I. Bill's blog post is, as his usually are, long, and a bit technical. It's also robust and clear, and (I think) completely sound.

I recommend it.
