

Britain's Varoufakis? I don't think so

Published: January 13, 2026, 3:39 pm

The New Statesman's new edition (not online as yet) has an article suggesting I might be Britain's [Yanis Varoufakis](#).

It has been a weird month but this is just surreal. There's no motorbike for a start.

And nor will there be.

The following reproduced with permission: the noted comments came after Xan Rice suggested the idea.
