ITN [published this picture](#) yesterday:

Every now and again someone reports something correctly: this one is true.

For the record, Channel TV asked me to comment on what I thought Jeremy Corbyn thought of tax havens. I guessed (and said I guessed) he agreed with Labour Party policy which has always been pretty tough on this issue. I then threw in a compliment for progress under the last government. And then added my own usual narrative. The picture pretty much says it all.
