

Who John McDonnell may be listening to

Published: January 13, 2026, 12:32 pm

Some people have asked me about [what John McDonnell has said on the deficit today](#).

Before going any further, [please read this](#): what follows is my speculation and nothing else.

But I suspect John McDonnell has been influenced [by this article by Simon Wren-Lewis](#). It certainly feels like it, which makes the article well worth a read.
