

## The CBI's prayer: Lord, grant me tax compliance, but no...

Published: January 15, 2026, 8:47 pm

---

I noticed this comment on the [OECD BEPS process in the Independent](#):

*A spokesperson for the UK's CBI business lobby group urged governments to roll out the new rules at the same pace internationally to avoid conferring a competitive advantage on slow movers.*

St Augustine is supposed to have once prayed for chastity, but not yet.

The CBI look like they're praying for tax compliance, but very definitely not yet.
