

## On the Keiser Report

Published: January 12, 2026, 10:06 pm

---

I was on the Keiser Report yesterday. The [second half of the programme was an interview with me](#), and there is another to come, actually recorded straight afterwards because the discussion was just getting on a roll when the first part ended.

And yes, I know this is on Russia Today. I have no love of RT, but I have no love of Sky either and I appear on that too.
