

## HMRC's new year's resolution should be to start telling...

Published: January 13, 2026, 6:03 am

---

This [is from a press release](#) issued by HM Revenue & Customs today, no doubt to puff [Lin Homer's damehood](#):

This is [from a press release](#) issued by the Public Accounts Committee in November:

Now someone is not telling the truth here.

And I suggest, very strongly, that it is HMRC.

If they want a new year's resolution I suggest being honest would be a good place to start.
