

None of the above, as yet

Published: January 17, 2026, 12:23 pm

Spain has voted.

[And will have a coalition.](#)

People are searching for a new vision. The old, of left and right, all focussed on materialism as the source of meaning, is fading. But as yet the replacements are incomplete.

Confusion is the path of the moment.

I sincerely hope something better will emerge. It's certainly trying to in Spain.
