

Will Brexit be a mess? Read this

Published: January 13, 2026, 3:19 am

For those who think Brexit will be easy I [suggest reading this paper](#). It makes clear the sheer scale of the legal challenges the UK will face.

Now I am not saying legal challenges need stop any process if it is worthwhile doing. But in this case there is no obvious gain unless you want to take away workers rights and stop the NHS recruiting the vital overseas workers it needs to keep functioning. So we just get the mess.

It's not a pretty prospect.
