

Today's broadcasting

Published: January 13, 2026, 7:30 am

I am at present scheduled to broadcast twice on budget matters today.

I will be on Radio 2, alongside my usual co-interviewee Comrade Mark Littlewood of the Institute of Economic Affairs, from about 1.30 onwards on the Jeremy Vine Show on BBC Radio 2.

And then I will be on LBC at around 3.

Others are saying they may arrange things later.

I have also already been on Jazz FM:
