

# On BBC Radio Jersey this morning - suggesting they are ...

Published: January 14, 2026, 3:51 pm

---

I was in robust form on BBC Radio Jersey this morning.

[Start at 2:07](#)

I was not taking nonsense - including the usual drivel provided by BBC Jersey - which I challenged because it acts as a mouthpiece for the Jersey elite.

I ended by suggesting direct rule if the States of Jersey will not deliver the transparency that is now essential in that island.
