

# Moaning isn't good enough: get out and do something

Published: January 14, 2026, 8:58 pm

---

You may be offended by this. But large parts of it are spot on:

<https://www.youtube.com/watch?v=GLG9g7BcjKs>

The left hasn't got an argument.

It doesn't persuade anyone.

And much of what passes for action is an excuse.

This blog is my version of the required narrative. It's imperfect. But dammit, I'm trying.

And a lot more need to do so in whatever way they can. Starting from the top.
