

Tax haven UK is Philip Hammond's dream. The reality is ...

Published: January 13, 2026, 1:40 am

It would seem that [Philip Hammond wants to turn the UK into a tax haven](#) as a result of Brexit. Here are some of my thoughts on Philip Hammond's dream, offered on Twitter this morning:

My new book - 'Dirty Secrets - How tax havens destroy the economy' -will have much more on this theme. Out on 7 February.
