

## Today's NHS tweets

Published: January 13, 2026, 12:29 am

---

I have not used Twitter much of late. For some reason I woke up in the mood to do so today. [These are some of today's NHS tweets from me](#), most of which were retweeted many hundreds of times:

And just in case anyone thinks I am only concerned with government policy:

The NHS needs funding. But that requires sound macroeconomic policy as well as a government that cares.
