I have spent two days walking and talking. My head is buzzing. But now is not the time to share much of that.

It is the time to draw attention to what is happening on Progressive Pulse.

Peter May has written about [the leaked Labour Manifesto](#)

Sean Danaher addresses [the issue of home ownership](#).

And Charles Adams asks, as I have done, [how are we going to pay for it?](#)

I hate to be choosey, but the last particularly appeals to me. I would recommend them all.
