Economia is the Institute of Chartered Accountants in England and Wales's magazine and each year they have a top 50 of those influencing the profession using Twitter. This year's top 10, [recently announced](#), is as follows:

That's three tax justice people (Alex Cobham, Naomi Fowler who runs the Taxcast, and me) in the top ten, plus Paul Lewis and Jo Maugham, both of whom I would call decided friends of the cause.
