

Aggregation v Consolidation in the CCCTB

Published: January 14, 2026, 12:55 am

For those with access to International Tax Review, [this article was out yesterday](#):

It builds on themes in this previously unpublished paper written a month or so ago on [Aggregation v Consolidation and the CCCTB](#).

This might seem to be an issue for tax geeks: it's vital if tax competition in the EU is to be curtailed.
