

## The case against Amazon and eBay

Published: January 14, 2026, 8:56 am

---

The Public Accounts Committee has published the evidence submitted to it regarding Amazon and eBay and VAT non-compliance.

[That evidence is here.](#)

I think it's worth a read.

And then some reflection on why the UK has done so little about this, because that cannot be a mistake, but must be policy.

The question is, why doesn't the UK want to collect this tax?
