Tax Justice UK published this yesterday. I thought some might find it of interest:

TAXJUSTICE.UK

Today we recorded a 40-minute virtual briefing on the Paradise Papers, featuring two of the UK's leading financial journalists, Juliette Garside and Simon Bowers.

The briefing covers the tax avoidance uncovered by the Paradise Papers, looking at individuals and multinational companies alike, outlining the nature of the problems and suggesting some potential solutions. It's a must-see, and it's now available to watch online at your leisure.
