

Shaking the Magic Money Tree

Published: January 13, 2026, 2:09 am

This may be of interest to some who frequent this blog. Radio broadcaster Michael Robinson, with whom I have had the pleasure of working on occasion, has sent me a note saying:

This to let you know that Michael's latest programme:

SHAKING THE MAGIC MONEY TREE

*goes out this Monday, 29th January, at 2000hrs on BBC R4
It's repeated on Wednesday 31st January at 1100hrs.
And will be available online after broadcast.*

It's about how there really is a magic money tree - which has produced nearly £550bn since the 2008 financial crisis. It investigates what happened to this deluge of cash and why so few of us seem to feel better off as a result.

Producer: Mike Gallagher / Editor: Andy Smith

We all hope you enjoy it!
