

Scotland really is another country

Published: January 14, 2026, 5:02 am

YouGov [published polling on Brexit yesterday](#). The fieldwork was by constituency and covered more than 20,000 people about a week ago. This was one finding:

Interesting. Especially if you live in Lincolnshire, North Cambridgeshire and West Norfolk.

I don't. Not any more.

But this was even more interesting:

And you are trying to tell me there is no political divide between Scotland and England and Wales?

Pull the other one.
