

### Jonathan Portes, Prospect, modern monetary theory and t...

Published: January 12, 2026, 9:38 pm

---

I am aware that Jonathan Portes had a rather bizarre, straw-man based, attack on modern monetary theory published [in Prospect](#) yesterday. In this he did, amongst other unsubstantiated claims, suggest that I am 'the UK's most prominent proponent', which must be pleasing Bill Mitchell no end.

I will be asking Prospect for a right to reply and will wait to hear before drafting my response.
