

## Time is pressing

Published: January 12, 2026, 9:10 pm

---

I gave a talk at Cambridge Econometrics yesterday, where I am a director. They [tweeted it](#) and let out the secret that the profile picture on this blog really does need updating:

I finally came to the conclusion that time spent shaving reduces blogging time.

And the new glasses are my sons' surest indication yet that I am suffering what they are calling on oncoming old age crisis.
